ngs Real World Business Experience to MSU Students
TROY YANG • The Rep
said IBE has trans- ...e she and her peers ...usiness. ...s as apply classroom ...eal-world experienc- ...et by giving us the opportunity to create and operate our own com- ...pany," she said. "From developing a product and managing budgets to making real sales and analyzing performance, it's all hands-on. You see how everything fits together in a real business setting."
What makes the IBE program stand out, according to Branco, is its authenticity.
"Instead of just learning theo- ...ries in the classroom, we get ... them," she said. "We brains... design logos, budget, and se... erything an actual business ... do. It pushes us to think cri...
